The list of Lincoln voters is not given in this issue on account of lack of space. The entire list as received will be published in our next issue, after which it will be dropped. There are yet many Lincoln voters whose names we have not secured and we hope to receive them all before our next issue. The True Northerner would suggest that a meeting be called for the purpose of organizing a Lincoln voters' club. Such an organization would be of mutual benefit to its members and a living monument to the memory of the great emancipator, Abraham Lincoln. The organization of such a society was the True Northerner's object in collecting the names of the Lincoln voters.

Lickwood Local Option Bill.

The so called search and seizure bill amending the local option law has passed the senate with but seven dissenting votes and is now in the hands of the committee on liquor traffic in the lower house.

The salient features of the bill are a clause requiring druggists to report purchases as well as sales and to file such reports in the office of the prosecuting attorney; a clause permitting druggists to sell for medicinal purposes only on a reputable physician's prescription and for other lawful purposes only on a written and sworn application of purchasers; a clause authorizing magistrates to cite persons getting intoxicated before them and requiring such persons to disclose where, when and of whom they procured the liquor causing such intoxication, and a search and seizure clause authorizing the sheriff or other executive officer to search for and take into his possession intoxicating liquors intended for illegal use.

The proposed law strengthens the local option law along its weakest points and if passed, as it probably will be, will be a very material aid to the officers of local option counties in controlling the traffic and suppressing illegal sales.

Put Your Shoulder to the Wheel.

The ladies of the W. R. C. are to be commended on their zeal and patriotism in their plans to erect a beautiful soldiers' monument in Paw Paw. It is no easy matter to raise a large sum of money for any purpose. With the enterprise and tenacity characteristic of the sex, however, this noble band of women have added little by little until they have a substantial fund raised. The citizens of Paw Paw should now take hold of the enterprise and assist the ladies in pushing their plans to completion.

The lecture by Rev. C. E. Varney, Tuesday evening, added materially to the fund, and now, in the opinion of The True Northerner, the balance should be raised by popular subscription. A soldiers' monument will add to the beauty of the village, will do honor to the depart-

ed heroes, and the handful (for their ranks are being rapidly depleted) of veterans that are left.

By all means let us get together and assist these faithful ladies in pushing their worthy plans to a successful issue.

Boost The Chautauqua.

The business people of Paw Paw are to be commended for their enterprise and progressive spirit in making it possible to have a Chautauqua here. Few towns the size of our village can boast of a feature of that nature, and yet the necessary number of tickets were guaranteed by Paw Paw's business men in a few hours time. It is now the duty of every citizen of Paw Paw to boost for the Chautauqua and thus boost for the town. Make it a grand success this year, in the hopes that a Chautauqua will become a permanent feature of Paw Paw and our beautiful Maple Lake.

Would Change Marriage Laws.

St. Joseph will lose some of its prestige and reputation as a Gretna Green, if the bill introduced in the senate by Senator Bradley becomes a law. The bill requires both parties to a marriage to sign affidavits for a marriage license and makes the girl equally liable for perjury with the prospective groom. Males under 21 must have the consent of their parent or guardian; no licenses can issue on legal holidays or Sundays, and the ceremony cannot be performed until the license has been issued three days.

Preserve the Forests.

On Thursday last Governor Warner sent to the legislature a special message in which he urged the legislature to harmonize their differences and enact legislation designed to replace the forests of the state which have fallen before the ax of the lumberman. The governor expressed the opinion that forestry legislation should be both preservative and constructive, with a view to conserving what forests still remain and produce new ones for the benefit of future generations.

Not In Van Buren County, Thank You.

On Saturday, the 10th inst. a man was murdered in Buchanan as the result of imbibing too much Berrien booze. On the same day in Lake township in the same county another drunken man had several fights, stabbed his father-in-law and blew up a building with dynamite, endangering the lives of several people. But Berrien county voted for booze and is only reaping as she sowed. Saloons sure make things lively, but Van Buren wants none of that kind of enlivening. Not any, thank you.

Hammering Away.

The headquarters of the National American Woman Suffrage association at Warren, Ohio, report a hitherto unprecedented demand for literature. From Nov. 1, '05 to April 1, '09, an average of upwards of 2,000 pieces for each working day was sent out, making a total of 261,925 pieces for that short period.

MAY 6 is the date set by the house of representatives for final adjustment. Lieutenant Governor Kelley of the senate states, however, that the senate cannot possibly adjourn by that date.

THIS is Arbor day. Here's hoping your premises are all cleaned up and a tree or two planted to improve your surroundings.

MAKE improvements because you are progressive, not because some one else is making them. In other words don't be a "trailer."

CARRIE Nation will appear in "Fighting Costume" during the Chautauqua.

DON'T sulk, don't scowl, don't quit. You may not have the cards or like the Rules of the Game of Life, but the other players have a chance to win.

THERE'S still room at the top; but you can't reach it by "going up in the air."

PUSH! If you can't push, pull. If you can't pull, please get out of the way.

THE man who is satisfied to follow the crowd never gets to the front.

FROM the 18th to 20th of July is the time. Paw Paw is the place.

THE streets begin to look better. Lew is working on the job.

THE bill making Columbus day a holiday has passed the senate.

JULY 13 to 20 inclusive are the dates to paste in your hat.

A "trailer" always brings up the rear.

TODAY is tomorrow's "I told you so."

BOUGHT your Chautauqua ticket yet?

BOOST for the Chautauqua.

WOODMAN spare that tree.

Faults of Great Men.

Great men too often have greater faults than little men can afford room for.

Liver Trouble Remedy Free

Any intelligent person can be his own doctor in the ordinary case of liver trouble, for the symptoms can not be mistaken. If the white of the eye becomes yellowish, if the skin becomes sallow, if pimples and blotches appear, if the bowels do not move, if you have sick headache, if you are bilious, you may be sure that your liver is torpid or inactive. The quickest and surest remedy yet found for the cure of liver trouble or any of its symptoms is Dr. Caldwell's Syrup Pepsin, the great herb laxative compound. This wonderful remedy is not only a laxative, but a tonic as well. It will start the flow of gastric juice, thereby soon enabling the liver to do its work naturally. A bottle of this great liver remedy can be bought of any druggist for 50 cents or \$1, and in many cases a single bottle has cured a chronic case. For example, John W. Lee, of 119 S. Pennsylvania ave., Indianapolis, Ind., had a stubborn and very long-standing case of liver trouble, with pimples, blotches, jaundice, etc., and it cured him. Mrs. B. Finchum, Jackson, Ky., says the same of it. Thousands of families keep it in the house against just such an emergency, as you can never tell when some member of the family will need a good laxative. In order to have you or any other sufferer from the liver make a test of Dr. Caldwell's Syrup Pepsin without personal expense, Dr. Caldwell will send you a free test bottle if you will send your name and address. The sample will show you how pleasant it is to take, how gently it works. It will start you on the cure of your trouble and convince you that you have found a cure. That is the object of the sample, and the doctor urges you to send for it today.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 500 Caldwell bldg., Monticello, Ill.

School Notes.

Fischer's orchestra has been engaged for commencement.

The senior class motto is, "Impossible is No American;" class colors, maize and blue; class flower, the rose.

A majority of the seniors and several of the teachers were royally entertained at the home of Walter Burlington in Porter last Friday evening.

The base ball season will be opened here Saturday by Parsons' business college team and the local high. The college has a strong team and the game will be worth seeing. Time, 3 o'clock.

The freshman base ball team escaped defeat Wednesday by a lively boxer which stopped the game in the fourth inning when the score was 5 to 2 against them. The grammar room boys are confident of getting them next time.

Paw Paw went to Dowagiac last Saturday and in the first game of the season met defeat in a well fought pitcher's battle, score 3 to 1. Dowagiac secured but three hits off Mather, while our boys succeeded in getting four off Wells. The teams are well matched and a return game will be played June 5.

DEATH OF PATRICK H. CARROL

Passed Away at Room at Grand Rapids Well Known and had Many Friends Here.

Patrick H. Carrol, for the last 30 years a shoe salesman, died suddenly in his room at the Morton house, Grand Rapids, Sunday evening. During the day he had been in the best of spirits and laughed and joked with the other guests. In the evening he complained of not feeling well and retired. Mr. Carrol died soon after. He was a brother of former Postmaster Thomas F. Carrol of Grand Rapids and is survived by a widow and one daughter, who live at Portland, Ore.

Mr. Carrol was a former resident of Van Buren county and had many friends here. Heart disease is given as the cause of death.
